## Work Skills Screen and Media Course

Our Screen and Media course provides a practical and industry current qualification to launch or support an exciting and fulfilling career in the media industry.

### What Is the Qualification About?

This qualification reflects the role of a skilled operator in digital video, radio and online content creation, or a skilled assistant in the film and television production services who applies a broad range of competencies in a varied work context, using some discretion and judgement and relevant theoretical knowledge.

### How Do I Do It?

CUA31020 Certificate III in Screen and Media is delivered through blended learning, based on face-to-face and one-on-one training with a Work Skills trainer. This may also include utilising digital learning guides, videos, the internet and the Work Skills Online Learning and Assessment System (WOLAS). The learning may comprise of all or some of these methods. It will depend on location, the pace at which the student wants to learn and employer's requirements. This is negotiated at the Initial Checkpoint Meeting.

WOLAS is more than just e-learning. It is an industry leading platform that manages a student's progression through each unit of competency through to completion of a qualification.

### Course Duration

Workplace based	12 months – Full time 24 months – Part time
-----------------	--

### Qualification Entry Requirements

There are no entry requirements for this qualification.

### Work Skills Entry Requirements

- Work Skills requires the student to complete an LLN&D assessment to determine suitability for a level III qualification. There is no need to be discouraged about this as the LLN&D is a great tool to allow us to identify any extra support that the student may require.

### What Needs to Be Completed?

11 units of competency are required to complete this qualification within the specific requirements as set out below:

- 3 core units
- 8 elective units within the specific requirements as set out in the tables below.

*Electives can be chosen according to the requirements of the enrolling students. Please discuss this with the Work Skills team during the enrolment process.*

## Delivery and Assessment

1. Face to Face
2. Workplace based sessions
3. Workplace training

Training and Assessment will be conducted through a combination of blended learning environments. The student will have to successfully complete both knowledge and practical assessments for each unit of competency to achieve their certificate of completion.

## Delivery Locations

This program will be delivered at the student's nominated workplace.

## Vocational Placement Requirement

No Vocational Placement is required for this course

## Fee and Charges

For Fee details – refer to Fee and Charges Brochure

## Recognition of Prior Learning (RPL)

If you are currently working, or have previously worked in a relevant industry, you may be eligible for Recognition of Prior Learning (RPL). RPL applies where you have workplace experience/competency that can be formally assessed against the units of competency in this course. If you wish to undertake an RPL process, please discuss with the Work Skills team.

## Certificate Issuance

A certificate is issued where all 11 units have been deemed competent. A statement of attainment is issued when only some units are deemed competent and the course is not completed in full. Issuing of certificate and or statement of attainment occurs within 30 days of the last unit being deemed competent. However, this may be delayed in the event that the student has not provided a valid Unique Student Identifier (USI) or has an outstanding fee. *(Fee clause is not applicable for students enrolled under Apprenticeship/Traineeship Pathway)*
