

Fee-Free Training for Year 12 Graduates

Since 1 January 2014, Year 12 graduates have been able to access fee-free training as part of the Queensland Government's Great Skills Real opportunities action plan. To be eligible for fee-free training, Year 12 graduates need to commence training in a high priority qualification with a pre-approved training provider within the calendar year following the completion of Year 12.

Fee-Free Training also applies to students who were previously enrolled as a School-Based Apprentice/ Trainee (SAT) and convert their Apprenticeship to either Full Time or Part Time after they have completed year 12. Student must provide evidence that they are deemed to have completed Year 12 in Queensland and hold a Senior Statement issued by the Queensland Curriculum and Assessment Authority, or equivalent certification.

The Fee-free training will apply to high priority qualifications available under the Queensland Government's Certificate 3 Guarantee program or User Choice program, which funds workplace-based apprenticeship and traineeship training.
